## Education & Advocacy Series

Friday Colloquium  
*July 21, 2017 ~ 12:00 PM -HPNP G-101*

### **Professional Women: The Fear and Power of Failure**

*Lori Waxenberg, Ph.D., ABPP*

Despite many gains in the workforce, women are still underrepresented in executive positions. This talk will explore how a fear of failure may be a barrier to success for many talented women. Potential solutions for addressing how to overcome that fear and be more open to the experience of failure will be presented.
